

Nobel

Medical College
Teaching Hospital (P) LTD.
affiliated to Kathmandu University

Nobel Medical College is one of the premier and most reputed medical institutions in Nepal. Nobel Medical College was founded in 2004. It is affiliated to Kathmandu University. Kathmandu University has been recognized by the National Medical Commission (NMC), so Nobel Medical College also shares the same advantage. This institution aims at providing international standard medical education to the students. Students from Nepal, as well as abroad, enrol here for degrees in medical and paramedical courses. The Nobel Medical College Teaching Hospital (NMCTH) has gained prominence in a short span of time. The hospital serves patients from Nepal and Bihar. The college hospital is equipped with modern infrastructure and state of art facilities. The vision of the Nobel Medical College Teaching Hospital (NMCTH) is to prepare compassionate and trained professionals to serve the community.
