

GRIGORE POPA UNIVERSITY

OF MEDICINE AND PHARMACY, ROMANIA

Grigore T. Popa University of Medicine and Pharmacy is a public university-level medical school located in Iași, Romania. Named in honor of the scientist Grigore T. Popa, it is classified by the Ministry of Education as an advanced research and education university. The Grigore T. Popa University of Medicine and Pharmacy was established in 1879 and named in honour of the famous Romanian scientist Grigore T. Popa. It is one of the oldest universities in Romania and offers four faculties: Faculty of Medicine, Faculty of Dentistry, Faculty of Pharmacy and Faculty of Medical Bioengineering.

The university is in Iași, which is one of the largest cities in Romania, located in the North-East part and only 500km from the capital city. The city is spread over seven valleys and is colloquially nicknamed the “city of the seven hills”.

The university offers dentistry and medicine courses in English and French.
