

# MEDICAL SOCIAL INSTITUTE TAJIKISTAN

The Medical-Social Institute of Tajikistan, is one of the prestigious university in Tajikistan offering a unique blend of practical and theoretical education. Since its inception, it has consistently ranked among the top universities in Central Asia. The institute has played a vital role in the country's medical education and healthcare sectors from 1939. Its development and achievements have been supported with the consent of the Founder of Peace and National Unity, the President of the Republic of Tajikistan.

It is recognized by the National Medical Commission (NMC). The Medical University of Tajikistan is recognized by the National Medical Commission (NMC), the World Health Organization (WHO),

By the year 2020, International students got access to 6-year programs in specialized medicine. However, the University has reduced this time by one year and now offers a 5-year full-time MBBS program to international students. It assigns courses in the medical, clinical, and specialized fields.
